"We had our two day wedding here in August and it was the best few days imaginable! The venue itself is stunning with beautiful grounds and lots of places for photographs. The food was top class, we received so many compliments from guests about the standard and quality of food and service throughout the two days. The sibiin was just like an old local pub and we stayed well into the wee hours, it was a massive selling point for us as we could have our second day here and have a session going non-stop!"
